

2017 Weddings & Special Functions

If you are planning a wedding or other special function (anniversary, retirement, shower) and looking for a venue that offers first rate food service in a space that is roomy but not cavernous, spacious but still intimate, our banquet hall will be just the right fit. We can comfortably sit approximately 160 guests at our round tables of 8.

Timberland is our exclusive caterer and their menu options are many and varied. From served banquet style meals to their buffet and finger food options, they can accommodate just about any style reception you've dreamed of for your big day. Timberland's pricing includes use of their linens and other decorative table items that you may want to incorporate into your design scheme for the day. **15% hst and a 15% gratuity will be added** to their per-person prices. **Timberland requires a confirmed number at least one week in advance of your reception date.**

SGCC's own pricing includes bartending service, and we will ensure ample staff to serve your guests efficiently. Wine service is available at current New Brunswick liquor store prices, plus a corking fee of \$5+hst per bottle; any wine served at your function must be purchased through the Club and should be ordered at least two weeks in advance of your event to ensure the local liquor store can have it in stock. **Please note that homemade wine may not be served or consumed on site.** Our 2017 **rates** are: \$100+tax per hour or any portion thereof, or \$375 plus tax per day or for a wedding. Whenever possible, we will give you access to the hall the day before your event if you require it for decorating, but **this access is not guaranteed**, especially during the golf season.

Mini white lights currently strung around the tops of the banquet hall windows, on our white leafless trees, and around the columns in the middle of the room will make your decorating easier. We also have a digital projector and screen for your use, should you require them.

For further information or to inquire about dates, please call the number provided at right. **Please note that full payment of Hall Rental is due upon confirmation of your booking.** And is non refundable.
