Subject: Club-Owned Power Carts: Annual Pass

Effective: May 1, 2005

- 1.0** Sussex Golf & Curling Club will provide Club-owned carts for rental to members on an annual basis for an annual fee.
- 2.0** A seasonal pass will provide the purchaser with a seat on a cart, not use of a full cart.
- 3.0** Purchase of a pass will require the signature of the renter on the rental agreement, and will be good for that member only.
- 4.0** Any applicant for a seasonal cart pass must be in possession of a valid driver's license, and able to provide proof of such upon request.
- 5.0** Annual pass holders are responsible for rental carts while in use; any misuse of carts will result in annual pass being revoked for remainder of season, and any damage incurred will be the responsibility of the purchaser.
- 6.0** Depending on demand on any given day, the Pro Shop reserves the right to limit the cart use of any one pass holder to 18 holes.
- 7.0** Tournaments:
 - a) Annual pass holders will be able to use carts at home tournaments on a first-come, first-serve basis at no additional charge, with one exception as noted in 7.0 part b).
 - b) Where a home tournament requires the out-sourcing of additional carts in order to meet demand, and where such cost is higher than SGCC's rental fee, management will calculate an event cart premium payable by season pass holders in order to spread the cost of the additional carts over all users in the event.
- 8.0** Fees for annual passes will be reviewed and set each year by the Board of Directors in consultation with the appropriate Club Staff.
- 9.0** This policy will be reviewed annually by the Board of Directors, with consideration given to any changes required to keep it relevant and current.
